

enter the five-digit code, and listen carefully ... we have something important to tell you.

Philatelicism may cause dry tongue, astigmatism, and the subtle yet consistent olfactory presence of various types of adhesives. Are you prepared for such a majestic journey of the senses?

How big can you make a stamp? yes no pretty big really big also yes you can use to send letters, postcards, and parcels through the mail yes no stamps actually. One. paint me with WORDS my friend. Or word, actually. One. you

Do you like stamps? yes superYES N I like pudding and waterfalls. Also endless pudding waterfalls. yes no stamps actually. One. paint me with WORDS my friend. Or word, actually. One. you

My favorite ice cream flavor dextrin methylcellulose gum arabic 405 Philatelmaniac. what? certainly I was born ready can't stop me sing it exactly right

2006 Invented Jenny Broward County absentee ballot envelope controversy, right? U I'm not really into stamps, but what I DO like is tiny pieces of decorated/perforated/gummed paper that one can use to send letters, postcards, and parcels through the mail 6 7
